**ESI EXCELLENCE GLOBAL COMPONENTS:
HALF-YEARLY REVIEW**

The ESI Excellence Global index selects the best rated companies among the biggest ones in the world on the basis of Forum Ethibel's ratings and in accordance with the Ethibel Sustainability Indices Guidelines.

On March 3rd 2009, the ESI Committee proceeded to the half-yearly review of the Index components.

Withdrawals: 35 components

At each annual review, the ESI Committee withdraws from the ESI Excellence Global the shares of companies that are no longer listed in the Excellence Ethibel Register and the shares of companies with a free float market capitalisation inferior to 5 billion Euros. Accordingly, the following companies are withdrawn from the index:

Additions: No additions

At each semesterly review, the ESI Committee adds to the ESI Excellence Global the shares of companies that are rated A or B by Forum Ethibel and with a free float market capitalisation superior to 10 billion Euros. No companies matched these criteria, accordingly there were no additions to the index.

The changes to the ESI Excellence Global component list will be implemented after the closing hour on Friday March 20th 2009, and become effective on the next trading day.
