

## Extra-financial analysis / SRI Investors

Vigeo is the leading European supplier of extra-financial analysis, Vigeo measures companies' performance in the field of Sustainable Development & Corporate Social Responsibility.

It provides research products and services to 100 institutional investors, pension funds and asset managers worldwide.

Vigeo's suite of research products, combined with a broad range of associated services (portfolio audits, ethical screening, SRI indices, reporting tools) enable asset owners and asset managers to:

- integrate environmental, social and governance analyses in their mainstream investments;
- create and manage Socially Responsible Investment (SRI), ethical or thematic funds;
- engage with companies on environmental, social and governance issues. Vigeo produces in-depth research on companies included in the DJ Stoxx 1800 Global, covering 6 domains of evaluation:
  - Environment
  - Human Rights
  - Human Resources
  - Community Involvement
  - Business Behaviour
  - Corporate Governance

Vigeo also rates more than 200 fixed income issuers (sovereigns, local authorities, supranationals, unlisted companies) and provides research on 800 companies from emerging countries.
